No. 127

TEGUCIGALPA, D. C., July 21, 1949

EXCELLENCY:

It would also be understood that were the Honduran Government not in a position to contribute L500,000, the contribution of the Institute would be at the rate of one-fifth of the amount determined by the Honduran Government. The Institute would also be willing during the same extension period to make available funds to be administered by the Institute, and not deposited to the
