PORT-AU-PRINCE, HAITI, *December 19, 1947*

EXCELLENCY:

I have the honor to refer to the agreement executed on August 28, 1944,² between the Minister of Agriculture on behalf of the Government of Haiti and the Vice-President of the Institute of Inter-American Affairs on behalf of the United States, as amended and extended by subsequent agreements signed by representatives of the two parties on July 20, 1945,³ October 16, 1945,⁴ and December 27, 1946,⁵ providing for a cooperative program in food production in the Republic of Haiti.

In accordance with such agreements, the cooperative program in food production was inaugurated in Haiti and a small staff of experts and technicians was sent to Haiti by the Institute to cooperate with officials of the Haitian Government in realizing the objectives of such program. As your Government is aware, recent studies made by officials of the Haitian Government in cooperation with members of the field staff of the Institute in Haiti have resulted in a proposal that certain additional activities be undertaken and carried out in order to accomplish more fully the general objectives of the program provided further funds are made available by the Haitian Government and the Institute for such additional activities.
